

Client Story

Client Overview

- Largest high school district in Northern California
- 30+ schools
- Serving 32,000+ students and their families
- Racially and culturally diverse community

Partnership Overview

ProCare Therapy has partnered with our client for over 10 years, delivering contract staffing solutions across a wide range of special education roles. Throughout this long-standing relationship, we have placed more than 300 qualified candidates, with an average of 30+ professionals on assignment each year. Our proven ability to deliver top-tier talent and maintain consistent quality has earned the trust of our partner, who relies on our screening process and empowers us to make hiring decisions on their behalf. This trust, coupled with our commitment to candidate support, has led to exceptional retention—with many of the same professionals returning year after year.

Roles We Place

- Occupational Therapists
- Paraprofessionals
- Psychologists
- RBTs
- RNs
- Social Workers
- Speech Language Pathologists

“

“Working with ProCare over the past 10 years has been an incredibly positive experience. The level of professionalism, consistency, and support we’ve received has been outstanding. ProCare truly understands the needs of our school district and has been a reliable partner in helping us serve our students effectively. The collaboration has made a meaningful impact, and I’ve always appreciated the responsiveness and care shown by your team. Looking forward to continuing our strong partnership!”
