

# Client Story

## Client Overview

- 3 schools in Cook County, Illinois
- Serving approximately 1,400 students and their families

## Partnership Overview

ProCare Therapy has partnered with this district for over three years, originally supporting 3–4 placements per school year. Thanks to our responsive, white-glove service and our ability to consistently deliver top-tier professionals, we've grown into a preferred provider for the district's special education staffing needs. Our team has built a strong, collaborative relationship with the district's Director of Special Education, which has allowed us to tailor our candidate placements to the evolving needs of the schools we serve.

## Roles We Place

- Paraprofessionals
- Special Education Teachers

## Impact + Results

- 20+ placements supported throughout the life of the partnership
- 6+ active placements each school year
- Primary staffing partner for paraprofessionals
- Paraprofessional candidates delivered within 1 hour of request
