

# Client Story

## Client Overview

- 7 schools, supporting 3 townships in Pennsylvania
- Serving approximately 5,000 students and their families

## Partnership Overview

ProCare Therapy has partnered with our client's district for over two years, beginning with just 3-4 placements in the first school year. Because of our consistent delivery of top-tier special education professionals, we quickly earned the district's trust and became a preferred staffing provider. Today, we have over 60 professionals working across the district's schools, reflecting the strength and growth of our partnership.

## Roles We Place

- Certified Nursing Assistants
- Paraprofessionals
- Personal Care Attendants
- Registered Behavior Technicians

## Impact + Results

- 200+ placements supported since the start of the partnership
- Grown to 60+ active placements per year
- Deliver 3-4 qualified candidates within an hour of request
- Reduced administrative burden by maintaining a real-time, detailed spreadsheet tracking all candidate assignments across the district
