

# Client Story

## Client Overview

- 8<sup>th</sup> largest school in Texas
- 116 schools in the district
- Serving 72,830+ racially and culturally diverse students, including a significant economically disadvantaged population

## Partnership Overview

ProCare Therapy has been a trusted staffing partner for the district since 2020, making more than 100 special education and therapy professional placements across its schools. Our consistent delivery of highly qualified professionals has fostered a strong level of trust with our partner, who relies on our rigorous screening and credentialing process, and has authorized our team to make hiring decisions on their behalf.

This trust, combined with our unwavering commitment to candidate support through our internal Advisory Team, has contributed to exceptional retention rates, with numerous professionals returning to the district year after year. This continuity supports the district's mission to deliver high-quality services to its diverse student population while maintaining compliance and stability in specialized programs.
